Join a small group of art and cultural enthusiasts as we visit some of America's greatest art museums and contemporary galleries in 4 major cities. Hear the New York Philharmonic Orchestra, dine on soulful food to modern jazz at Dizzy's, stroll through Central Park, shop on 5th Avenue, visit Broadway, Yankee Stadium, Ground Zero and see the Statue of Liberty from a vessel cruising the New York Harbour. Our visit to New York plus Philadelphia, Los Angeles and San Francisco coincides with Memorial Day, a National Day of Remembrance that has evolved into an occasion for art and cultural festivals and the unofficial beginning of summer. It is also marked by blockbuster sales in all the major department stores.
